Building Strong Teams through Effective Administration

- **Equip:** Provide tools and training for service.
- **Empower:** True empowerment happens when people have both authority and accountability. (IA, p.69)
- **Engage:** Foster collaboration and celebrate contributions.

Ecclesiastes
4:9

4

The Wall Builders Challenge

Nehemiah
4:6

5

Embracing Innovation

- **Digital Transformation:** Technology is not the enemy of tradition; it is the extension of ministry. (IA, p.44)
- **Leadership Development:** Invest in emerging leaders for continuity.
- **Strategic Planning:** Excellence requires a plan, not just passion. (IA, p. 58)

Isaiah 43:19

6

The Role of Servant Leadership in Administration

Mark 10:45

- **Lead with Integrity:** Nehemiah served without exploiting his position (Nehemiah 5:14-19).
- **Promote Transparency:** Build trust through open communication.
- **Stay Mission-Focused:** The best administrators are those whose hearts stay close to the mission. (IA, p. 92)

7

Building Kingdom Momentum Together

- Administration turns vision into impact.
- Innovative leadership requires digital tools, team building, and strategic planning.
- Effective administration empowers people and advances the Kingdom.

1 Timothy 5:17
